

## **A Short Story of NSS**

National Service Scheme (N. S. S.) is the third dimension of the new education policy introduced by the ex-prime minister late Rajiv Gandhi in the year of 1982. As an extension activity (the third dimension), the National Service Scheme has started its functioning in the college since 1982-83. The college authority inculcates the spirit of voluntary work among the students and teachers through the introduction of National Service Scheme. Now the college has four (4) units which are sponsored by the Vidyasagar University with about four hundred (400) Volunteers. These units are managed by the 4 sincere and active programme officers following the guideline of the university and the N. S. S. advisory committee of the college. The units have followed the Motto of N. S. S. - "NOT ME BUT YOU". The N. S. S. units bring our college closer to society. It shows how to combine knowledge and action to achieve results which are desirable for community development. The N. S. S. units of the college have tried to develop the personality of the volunteers through the interaction with community.

The National Service Scheme of the college has the linkage with the Consumers Affairs & Fire Business Practice, of India Govt., the Health Dep't. of W. B. Govt., Lions Club of Mahishadal, Vivekananda Education Society (VES), Ramakrishna Mission, Rotary Club, Naikundu Janakalyan sanity for organizing health camp, AIDS awareness camp, consumer awareness seminar, TB awareness seminar, Pulse-polio motivation campaign & many other society concern programmes. The volunteers of the N.S.S. of our college took part in the pre - Republic Day parade camp in the year 2003 at Guwahati and 2005 at Bhubaneswar. Soma Maity a senior volunteer participated in the Republic day parade at New Delhi on 26<sup>th</sup> January, 2004. The Volunteers also took part in the National Integration Camps in the different years and secured many prizes.

The National Service Scheme of the college tries their level best to serve the people outside the campus by engaging the Volunteers in the development programmes. We are also planning to open additional units to engage the more students for community development.
