

Department of Zoology
Mahishadal Raj College
Session: 2020-2021

SL. No.	Topic	Event Type	Speaker	Date	Pictures
1.	Research mind & modelling of environmental health	International Webinar	Dr. Srimanta Kr. Raut	24/7/2020	 
2.	Systemic learning experience of a biomedical researcher	International webinar	Dr. Arpita Chatterjee (USA)	25/7/2020	

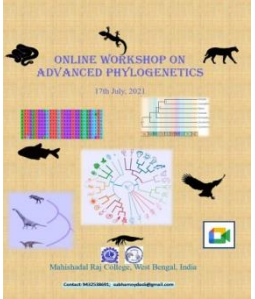

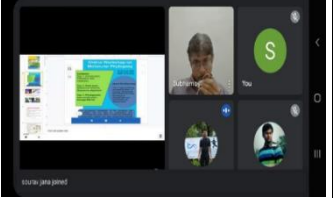

3.	Green biotechnology vs environmental perturbation: conflicts vs resolution	International webinar	Dr. Susanta Kr. Chakraborty	28/7/2020	 <p>International Web-Lecture Series Theme- Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 3 LIVE WEBINAR 11:00 AM LECTURE NO. 3 Dr. Susanta Kr. Chakraborty Topic: Green biotechnology vs Environmental perturbations - Conflicts vs resolution Time schedule: 11:00 am- Introduction by Dr. Subhanjoy Das 11:10 am- Welcome Address by Dr. Asim Kr. Bera 11:15 am- Special Speech by Sri Triak K. Chakraborty 11:20 am- Introduction of Speaker by Dr. Subhanjoy Das 11:25 am- Lead Lecture by Dr. Susanta Kr. Chakraborty 01:15 pm- Interaction & Question 01:45 pm- Answering session. 01:50 pm- Vote of Thanks by Dr. Subhanjoy Das 01:50 pm- Next Day Programme</p>
4.	Key concepts in zoological systematics	International webinar	Mr. Sunandan Das (Finland)	31/7/2020	 <p>International Web-Lecture Series Theme- Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 4 LIVE WEBINAR 11:00 AM LECTURE NO. 4 Mr. Sunandan Das Topic: Key Concepts in Zoological Systematics Time schedule: 11:00 am- Introduction by Dr. Subhanjoy Das 11:10 am- Welcome Address by Dr. Asim Kr. Bera 11:15 am- Special Speech by Sri Triak K. Chakraborty 11:20 am- Introduction of Speaker by Dr. Subhanjoy Das 11:25 am- Lead Lecture by Mr. Sunandan Das 01:15 pm- Interaction & Question 01:45 pm- Answering session. 01:50 pm- Vote of Thanks by Dr. Subhanjoy Das 01:50 pm- Next Day Programme</p>
5.	Organogenesis in culture: Insights to disease, development and discovery	International webinar	Dr. Sounak Sahoo (USA)	1/8/2020	 <p>International Web-Lecture Series Theme- Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 5 LIVE WEBINAR 6:00 AM LECTURE NO. 5 Dr. Sounak Sahoo Topic: Organogenesis in culture: Insights to disease, development & discovery Time schedule: 06:00 pm- Introduction by Dr. Subhanjoy Das 06:10 pm- Welcome Address by Dr. Asim Kr. Bera 06:15 pm- Special Speech by Sri Triak K. Chakraborty 06:20 pm- Introduction of Speaker by Dr. Subhanjoy Das 06:25 pm- Lead Lecture by Dr. Sounak Sahoo 08:00 pm- Interaction & Question 08:20 pm- Answering session. 08:20 pm- Vote of Thanks by Dr. Asim Kr. Bera 08:30 pm- Next Day Programme</p>

6.	The role of ethnobotany in relation to medical plants	International webinar	Dr. Prabir Ranjan Sur	3/8/2020	
7.	Water, sanitation, hygiene & Covid 19 pandemic	International webinar	Mr. Ajishnu Roy	5/8/2020	
8.	Bringing the stripes back: the road to recovery of Indian tigers	International webinar	Mr. Rabisankar Pal	6/8/2020	
9.	Interlinking ecology, biodiversity, climate change	International webinar	Dr. Arun Kr. Mahato (Gujrat)	8/8/2020	

10.	Down syndrome: science and society	International webinar	Dr. Sujoy Ghosh	8/8/2020	 <p>International Web-Lecture Series Theme: Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 9: LIVE WEBINAR, 12:30 pm LECTURE NO. 10 Dr. Sujoy Ghosh, Prof., Dept of Zoology, University of Calicut Topic: Down Syndrome: Science and Society 10:45 am-12:30 pm: Content of the last programme 12:30 pm: Welcome & Introduction of second speaker by Dr. Subhanjoy Das 12:40 pm: Lead Lecture by Dr. Sujoy Ghosh 12:50 pm: View of Slides by Dr. Subhanjoy Das 02:30 pm: Answering session 03:00 pm: Next Day Programme</p>
11.	Prospect and procedure of biomedical study in abroad	International webinar	Mr. Ridwan Islam. (Bangladesh)	12/8/2020	 <p>International Web-Lecture Series Theme: Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 10: LIVE WEBINAR, 11:00 pm LECTURE NO. 11 Mr. Ridwan Islam, Board Fellow, University of Sindh, Sindh, Pakistan Topic: Prospect & Procedure of Biomedical Study in abroad 10:45 am-11:00 am: Introduction by Dr. Subhanjoy Das 11:00 am: Welcome Address by Dr. Anan Kr. Mitra 11:10 am: Special Speech by Mr. Ridwan Islam 11:20 am: Introduction of speaker by Dr. Subhanjoy Das 11:25 am: Lead Lecture by Mr. Ridwan Islam 11:35 am: Welcome & Question 11:45 pm: View of Slides by Mr. Ridwan Islam 12:00 pm: Answering session 12:30 pm: Next Day Programme</p>
12.	Pharmacogenomics of inter & intra tumour heterogeneity in anti-cancer drug response	International webinar	Dr. Amit Kr. Mitra (USA)	14/8/2020	 <p>International Web-Lecture Series Theme: Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 11: LIVE WEBINAR, 11:00 pm LECTURE NO. 12 Dr. Amit Kr. Mitra, Assistant Professor, Auburn University, USA Topic: Pharmacogenomics of inter & intra tumour heterogeneity in anti-cancer drug response 10:45 am-11:00 am: Introduction by Dr. Subhanjoy Das 11:00 am: Welcome Address by Dr. Anan Kr. Mitra 11:10 am: Special Speech by Mr. Pinaki Mondal 11:20 am: Introduction of speaker by Dr. Subhanjoy Das 11:25 am: Lead Lecture by Dr. Amit Kr. Mitra 11:35 am: Welcome & Question 11:45 pm: View of Slides by Dr. Amit Kr. Mitra 12:00 pm: Answering session 12:30 pm: Next Day Programme</p>
13.	Long queue of opportunity using life's most important treasure- time and health	International webinar	Dr. Pinaki Mondal (USA)	15/8/2020	 <p>International Web-Lecture Series Theme: Scientific mind & modelling of environmental health Organized by: Department of Zoology, Mahishadal Raj College Day 12: LIVE WEBINAR, 11:00 pm LECTURE NO. 13 Dr. Pinaki Mondal, Scientist, University of Nevada Medical Center, USA Topic: Long queue of opportunity using life's most important treasure- time & health 10:45 am-11:00 am: Introduction by Dr. Subhanjoy Das 11:00 am: Welcome Address by Dr. Anan Kr. Mitra 11:10 am: Special Speech by Mr. Pinaki Mondal 11:20 am: Introduction of speaker by Dr. Subhanjoy Das 11:25 am: Lead Lecture by Dr. Pinaki Mondal 11:35 am: Welcome & Question 11:45 pm: View of Slides by Dr. Pinaki Mondal 12:00 pm: Answering session 12:30 pm: Next Day Programme</p>

14.	Save Nature save humanity	International webinar	Dr. Asoke Kanti Sanyal	18/8/2020	
15.	Mysterious life of <i>Tenulosailisa</i>	International webinar	Dr. Kousik Pramanik	21/8/2020	 
16.	Understanding & mitigating stress on bee pollinators	International webinar	Dr. Priyadarshini Chakraborti Basu (USA)	22/8/2020	
17.	Measuring species co- existence in high diversity forests	International webinar	Mr. Akshay Surendra	25/8/2020	

24	Designing experiments in neuroscience from a system perspective	International webinar	Mr. Prabaha Gangopadhyaya (UK)	25/8/2020	
25	Recent trends of animal behaviour	International webinar	Dr. Anindita Bhadra	28/8/2020	
26	Social distancing in animal world	International webinar	Dr. Subhamoy Das	29/8/2020	
27	Biodiversity day	Regional level webinar	Dr. Asim Kr. Bera Sri Tilak Kr. Chakraborty Dr. Subhamoy Das Dr. Rajkumar Guchhait Mrs. Moumita Jana	22/5/2021	

30	Online workshop on advanced phylogenetics	International Level	Mr. Sunandan Das	17/6/2021
