Visit to Mahishadal Raj College by Dr. Sk. Sarif Hassan of Pingla Thana Mahavidyalaya

Date: February 17, 2024

Institutions Involved: Pingla Thana Mahavidyalaya and Mahishadal Raj College

Overview:

On February 17, 2024; Dr. Sk. Sarif Hassan, Assistant Professor of Mathematics at Pingla Thana Mahavidyalaya, visited the Post Graduate Department of Applied Mathematics at Mahishadal Raj College as a part of an on-going Memorandum of Understanding (MoU) between these two institutions. The primary objective of the visit was to facilitate academic exchange and promote excellence in teaching and learning.

Activities:

➤ Presentation on LaTeX using Overleaf:

Dr. Hassan delivered a comprehensive presentation to the students of the Department of Mathematics and Physics of Mahishadal Raj College on the usage of LaTeX using Overleaf for project and thesis writing. The presentation covered the following topics:

- Introduction to LaTeX and its advantages in academic and technical writing.
- Overview of Overleaf as an online LaTeX editor and its features for collaborative writing.
- Demonstration of basic LaTeX commands and templates suitable for project and thesis formatting.

- Practical tips and best practices for efficient utilization of LaTeX and Overleaf in academic writing.

Interactive Session:

Following the presentation, Dr. Hassan engaged the students in an interactive session where they had the opportunity to ask questions, seek clarification, and discuss their experiences and challenges with LaTeX and Overleaf. This session encouraged active participation and facilitated knowledge sharing among the students and the visiting professor.

Q & A Session:

Dr. Hassan addressed queries raised by the students regarding specific LaTeX commands, troubleshooting common issues encountered during document preparation, and recommendations for advanced features and customization options available in Overleaf.

Outcomes:

- *Enhanced Understanding:* The visit deepened the students' understanding of LaTeX as a powerful typesetting system and equipped them with practical skills for producing professional-quality documents.
- *Collaboration and Networking:* The interaction between Dr. Hassan and the students fostered a spirit of collaboration and networking, facilitating the exchange of ideas and experiences between the two institutions.
- *Strengthened Partnership:* The visit strengthened the partnership between Pingla Thana Mahavidyalaya and Mahishadal Raj College, laying the foundation for future collaborations and joint initiatives aimed at academic excellence.

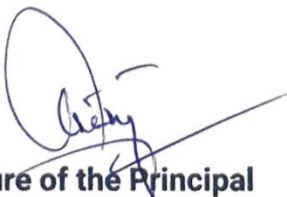

Dr. Sk. Sarif Hassan's visit to Mahishadal Raj College has been proved to be a fruitful endeavor, promoting academic exchange and excellence in mathematics education. Through the dissemination of knowledge on LaTeX and Overleaf, the visit contributed to the development of valuable skills among the students, empowering them to excel in their academic pursuits.
