(index.php) > About the scheme > Conditional Cash Transfer

Kanyashree's core objectives are simple and focussed: it aims to ensure that girls stay in school and delay their marriages till at least age 18. Kanyashree's approach is also simple: it uses a social safety net mechanism that has shown a high degree of success in transforming the lives of children and adolescents in several countries in the world: Conditional Cash Transfers. The scheme has two cash transfer components:

- The first is an Annual incentive of Rs. 1000/- to be paid annually to the girls in the age group 13 to 18 years (studying in Class VIII equivalent or above for every year that they remained in education, provided they are unmarried at the time.
- The second is a One-Time Grant of Rs. 25,000/-, to be paid after a girl turns 18, provided that she was engaged in an academic or occupational pursuit and was unmarried.

The term 'education' encompasses secondary and higher secondary education, as well as the various vocational, technical and sports courses available for this age group. Given that children from socio-economically disadvantaged families are more vulnerable to child marriage, the scheme is open only to girls from families whose annual income is Rs. 1,20,000/- or less. For girls with special needs, orphans and girls in J. J. Homes the income criterion is waived. Girls with special needs, but in a class below class VIII, can also apply for the annual scholarship.

OBJECTIVES

📌 Kanyashree Objectives

Kanyashree Prakalpa seeks to improve the status and wellbeing of girls, specifically those from socio-economically disadvantaged families, through Conditional Cash Transfers by incentivizing them to continue in education for a longer period of time, and complete secondary or higher secondary education, or equivalent in technical or vocational streams, thereby giving them a better footing in both the economic and social spheres. Discouraging marriage till at least the age of 18, the legal age of marriage, thereby reducing the risks of early pregnancies, associated risks of maternal and child mortality and other debilitating health conditions, including those of infanticide. It was also decided that the scheme should confer more than just monetary support; it should be a means of financial inclusion and a tool of empowerment for adolescent girls. The scheme benefits are therefore paid directly to bank accounts in the girls' names, leaving the decision of utilization of the money in their hands. To reinforce the positive impact of increased education and delayed marriages, the scheme also seeks to enhance the social power and self-esteem of girls through a targeted behaviour change communication strategy. The communication strategy not only builds awareness of the scheme, but includes adolescent-friendly approaches like events, competitions and Kanyashree clubs, and the endorsement of young women figures as role models to promote social and psychological empowerment.

When you hand over your completed application form to your Head Teacher, he / she will fill the details in, sign it, and put an official stamp, tear-off that portion and hand it over to you.

NOTE: The acknowledgement receipt (SLIP/ Acknowledgement) contains your form no, name and other details, and is proof that you have applied for Karyashree.

• What will I receive the money?

Once you hand over a complete application with all supporting documents to your institution, the application is uploaded onto the Karyashree Portal (karyashree.gov.in).

Once uploaded, your application is in several stages – you can track your application on the portal. To do so, you must know your form no. (You will find that on the Acknowledgement slip given to you when you handed in your application to your Head Teacher).

Once your application is sanctioned, your money will go directly to your bank account. The bank will send an SMS to the cell phone number you have mentioned on your form. You may also visit your bank to check if your money has been credited to your account.

If after two months of going in the application, your bank account is not credited with the money, you should take some remedial action (see section below: Who do I go to for help?)

• I have finished school and am now going to college. What will happen to my Karyashree money?

This transfer is an online process which your Head Teacher will be familiar with.

Whenever you change your institution your previous HRD will have to mark you transfer on portal. Otherwise your new institution will be unable to process your further applications.

MISCELLANEOUS

• Do I need to apply for the Annual Scholarship every year?

No, you do not need to apply for the annual scholarship every year. Once you have enrolled in the Annual Scholarship Scheme, in successive years (till you turn age 18) your Head Teacher will renew your scholarship for you. At the time of renewal, you will, however, have to give a written statement to your Head Teacher declaring that you are still unmarried.

However, once you turn 18 and are eligible for the One-Time Grant – the process is not automatic. You need to fill up the One-Time grant application form and provide all the necessary certificates and signatures and submit them to the institution you are currently studying in.

• What is my Karyashree ID, and why is it important?

Once your application is uploaded on the Karyashree Portal, a unique identification number is created for you. This number, along with your Form Identification no, is used to track your application on the portal.

Collect your ID from the HRD after your application is uploaded. This can also be found the same from the web www.karyashree.gov.in

• Who do I go to for help?

Your teachers and head teachers should be able to give you all the help you need to apply for the scheme, to track your application online, and follow up with the government so that you receive your money.

If however, your institution is unable to give you all the support you need, or is not helping you apply for Karyashree Prakshep, you can do the following:

- You must contact your nearest block or sub-divisional office
- Every district also has a Kanyashree Nodal Officer - you will find a list of all Kanyashree Nodal officers at www.wtkanyashree.gov.in
- The Kanyashree Portal also has a section called Online Grievance Redressal. You may log onto the portal and create an online complaint.

PLEASE REMEMBER - there are limits of girls applying for Kanyashree, so it is important that you keep the following information handy, and provide it correctly whenever you are approaching anyone for help - even your teachers. You must provide:

- 1) Your name, institution's name, and your birth date.
- 2) Your Home School No.
- 3) Your Kanyashree Identification No. (20 digit)
- 4) Your Bank Account No.
